1009	1010	1011	1012
1013	1014	1015	1016
1017	1018	1019	1020

2. 3497 to 3516

3497		3499	
3501			3504
		3507	
	3510		
3513			3516

3. 4865 to 4874

4865	4866	4867	4868	4869
4870	4871	4872	4873	4874

4. 5101 to 5110

5101				
				5110

H. Count in twos and write the next five numbers.

1. 7024 7026 7028 7030 7032 7034

2. 8890 8892 8894 8896 8898 8900

3. 9261 _____

I. Count in five and write the next five numbers.

1. 7305 7310 7315 7320 7325 7330

2. 4280 4285 4290 4295 4300 4305

3. 8115 _____

J. Count in tens and write the next five numbers.

1. 5420 5430 5440 5450 5460 5470

2. 6175 6185 6195 6205 6215 6225

3. 7317 _____

K. Count in hundreds and write the next five numbers.

1. 3120 3220 3320 3420 3520 3620

2. 7098 7198 7298 7398 7498 7598

3. 8475 _____

I. Count in thousands and write the next five numbers.

1. 1490 2490 3490 4490 5490 6490

2. 3911 4911 5911 6911 7911 8911

3. 2647 _____
