

***Note:** Students are instructed to write the following essay in their English fair copy with blue pen.*

MY BEST FRIEND

It is good to have friends. One's life without a friend is unpleasant. One can share one's joys and sorrows with a friend. But to have a true friend isn't so easy.

I am fortunate to have a true friend. He is Dean, my best friend and companion. He is of my age. He comes of an educated and well-cultured family. He helps the poor and the needy. He is very gentle and seldom gets angry. He believes in simple living and high thinking.

Everyone speaks highly of him. He is loved and respected wherever he goes. He is a good player of football. He also plays other games. He is healthy and strong. He helps me in studies. He is good at studies and extra co-curricular activities. He has won many certificates of merit

I am proud of him and I am lucky to have him in my life as my best friend.
